

STARTING NOW

Your healthcare just got *way* easier

You now have access to Quantum Health. Real people and tools that you can turn to for clear answers and support, *anytime*.

Consider us your go-to when it comes to understanding your healthcare benefits. We're your first call – not your insurance company. We coordinate everything with your doctors and your benefits.

We'll help you:

- Understand your benefits, claims and bills
- Find high-quality, in-network doctors
- Make sure your care is covered
- Review care options and plan next steps
- Access your ID card and add it to your mobile wallet

Better care starts *now*

Access your care and benefits in three easy steps

- 1 Download the Quantum Health app (scan the QR code below)
- 2 Create your account
- 3 Contact Quantum Health *anytime* you have a question about care or benefits
