The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. If you want more detail about your coverage and costs, check your Summary Plan Description, visit our website at www.iambfo.org, call Cigna HealthCare at 1-800-Cigna24 (1-800-244-6224) or contact the Fund Office at 1-800-457-3481. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters
What is the overall deductible?	For in-network providers: **$0** individual / **$0** family	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. There is no deductible on this plan.	This plan covers some items and services even if you haven't yet met a deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet any deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For in-network providers: **$6,000** individual / **$12,000** family For in-network prescription drugs through CVS Caremark: **$1,900** individual / **$3,800** family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Important Questions	Answers	Why This Matters
Will you pay less if you use a network provider?	Yes. See www.myCigna.com or call 1-800-Cigna24 for a list of network providers. **This Plan does not cover services from out-of-network providers except in limited circumstances.**	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All coinsurance costs shown below are after your deductible has been met, if deductible applies. There is no deductible on this plan.
