**TO: All Dental Plan Participants**

**FROM: Board of Trustees**

**DATE: October 1, 2010**

**RE: Change in Routine Examination and Cleaning Limitation**

---

The Board of Trustees is pleased to inform you of a change to the preventive benefit limitations of your Dental Plan.

Currently all Benefit Trust Fund Dental Plans allow routine oral examinations and cleanings (including periodontal cleanings) once every six months for eligible participants.

**Effective January 1, 2011**, all Benefit Trust Fund Dental Plans will allow routine oral examinations and cleanings (including periodontal cleanings) **twice per calendar year** for eligible participants.

This means you will no longer have to keep track of specific dates to ensure that enough time has passed between routine appointments. Starting in 2011 the first two routine oral examinations and cleanings submitted per eligible participant per calendar year will be covered by the plan without regard to timing.

Please retain this memorandum with your Summary Plan Description.

If you have any questions regarding this change or any of the benefits provided by your Dental Plan, please feel free to contact the Benefit Trust Fund for assistance at 1-800-457-3481.
